Such provision shall be deemed to be included for the benefit of every person, copartnership, association or corporation who, as subcontractor or otherwise has furnished material supplied or performed labor, rented equipment or services in or in connection with the prosecution of the work as aforesaid, and the inclusion thereof in any contract shall preclude the filing by any such person, copartnership, association or corporation of any mechanics' lien claim for such material, labor or rental of equipment.
2. Whenever the estimated costs of any purchase of supplies, materials or equipment or the rental of any equipment, whether or not the same is to be used in connection with the construction, erection, installation, completion, alteration, repair of, or addition to, any project subject to the control of the City, shall exceed \$10,000, it shall be the duty of the City to have such purchase or rental made pursuant to a contract awarded to the lowest responsible bidder (subject to subsection (2)(d)) hereof, after advertisement for bids, such advertisement to be inserted in a newspaper of general circulation in Berks County.
 - A. The City shall not evade the provisions of subsection (1) or (2) as to advertising for bids by purchasing materials or contracting for services piecemeal for the purpose of obtaining prices under \$10,000 upon transactions which should, in the exercise of reasonable discretion and prudence, be conducted as one transaction amounting to more than \$10,000. This provision is intended to make unlawful the practice of evading advertising requirements by making a series of purchases or contracts, each for less than the advertising requirement price, or by making several simultaneous purchases or contracts, each below said price, when, in either case, the transactions involved should have been made as one transaction for one price.

- B. Written or telephonic price quotations from at least three qualified and responsible contractors shall be requested for all contracts that exceed \$4,000 but are less than the amount requiring advertisement and competitive bidding or, in lieu of price quotations, a memorandum shall be kept on file showing that fewer than three qualified contractors exist in the market area within which it is practicable to obtain quotations. A written record of telephonic price quotations shall be made and shall contain at least the date of the quotation, the name of the contractor and the contractor's representative, the construction, reconstruction, repair, maintenance or work which was the subject of the quotation and the price. Written price quotations and written records of telephonic price quotations and memoranda shall be retained for a period of 3 years.
3. The City shall require as a condition of the award of any contract, pursuant to subsection (1) or (2) of this Section, that the contractor give to the City any bond or letter of credit (including bonds for the performance of the contract, and for the prompt payment by the contractor for material, supplies, labor, services and equipment) which are prescribed by law for contracts awarded by cities of the third class.
4. Notwithstanding anything to the contrary contained in this Section, City Council may, in those cases where an individual or company with headquarters in the City submits a bid which is within 10% of the lowest bid, award the contract to said individual or company. In acting pursuant to this provision, City Council shall find that such an award will be in the best interests of the citizens of the City. The City Council must show just cause for the awarding of such contracts to locally owned companies who provide local labor, materials or produced goods.
5. All contracts shall be on file in the office of the City Auditor and shall be available for public inspection during normal business hours.
